

Notice of Change to MasterCard Rules

Please refer to the highlighted section

CONSUMER LIABILITY

Tell us at once if you believe your ATM/Debit or PIN or internet banking access code has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. If you tell us within two (2) business days after you learn of the loss or theft of your ATM/Debit or PIN, you can lose no more than fifty dollars (\$50) if someone used your ATM/Debit or PIN without your permission. If you do not tell us within two (2) business days after you learn of the loss or theft of your ATM/Debit or PIN and we can prove we could have stopped someone from using your ATM/Debit or PIN without your permission if you had given us notice, you can lose as much as five hundred dollars (\$500).

Also, if your statement shows transfers you did not make, including those made by card, code, or other means, tell us at once. If you do not tell us within sixty (60) days after the statement was transmitted to you, you may not receive back any money you lost after the sixty (60) days, and therefore, you could lose all the money in your account (plus your maximum overdraft line of credit, if applicable), if we can prove that we could have stopped someone from taking the money had you given us notice in time. If a good reason (such as long trip or hospital stay) keeps you from giving the notice, we will extend the time periods.

CONSUMER LIABILITY FOR UNAUTHORIZED TRANSACTIONS INVOLVING ATM/DEBIT

The limitations on your liability for unauthorized transactions described above generally apply to all electronic fund transfers. However, different limitations apply to certain transactions involving your card with the MasterCard® logo. These limits apply to unauthorized transactions processed on the MasterCard® Network.

If you promptly notify us about an unauthorized transaction involving your card and the unauthorized transaction took place on your MasterCard® branded card, including any PIN-based ATM or POS transactions, zero liability will be imposed on you for the unauthorized transaction. In order to qualify for the zero liability protection, you must have exercised reasonable care in safeguarding your card from the risk of loss or theft and, upon becoming aware of such loss or theft, promptly reported the loss or theft to us. For commercial accounts, zero liability protection will only apply to transactions conducted with a card issued for a commercial purpose under a "small business" program as described on www.mastercardbusiness.com (information found under "Small Business", then select the "Products" tab).
